Theatre of Youth (TOY) welcomes you to enjoy a performance in a sensory friendly environment. Your children can sit where they are most comfortable and move around as they need, all while enjoying the magic of live theatre.

Everyone's favorite 1<sup>st</sup> grader gets us all in the holiday spirit when Junie B. Jones visits the Historic Allendale Theatre in *Junie B. Jones in Jingle Bells. Batman Smells*. As we enter 2017, Widge finds himself in big trouble! A thief has taken him to London to steal a play from William Shakespeare. Don't miss the action packed *The Shakespeare Stealer*. We couldn't celebrate this milestone year without the help of everyone's favorite pig, Wilbur, in *Charlotte's Web*. And lastly, TOY will leave you doing the flippy-floppy-floory dance all summer long in *Elephant & Piggie's "We are in a Play!"*

**All performances Sunday @ 10:00AM | \$5 Tickets, general seating** (Financial Assistance Available)  
**Noise muffling headsets and a calming space are available**
